

Best Western Executive Court Inn Manchester, New Hampshire

This 96,000 SF addition doubled the existing rooms and suites and added seminar / hospitality areas that expand the wedding and function services offered by the Inn. The grounds are heavily landscaped to complete the customer experience.

Design integration with Best Western standards and conventions were exceeded in finish and furnishing quality selections. The overall success of the completed facility and the view of it by Best Western Corporate netted awards two consecutive years for the top-rated facility in the United States.
