

# Country Inn and Suites Bedford, New Hampshire

---

This hotel facility, located on South River Road in Bedford, New Hampshire, offers 100 guest rooms, including 35 king and queen size suites. The Inn's impressive guest facilities include both an outdoor and indoor pool and spa area featuring an eight-person whirlpool and skylights allowing for natural light.

The warm brick exterior accompanied by the rich colors and country character help to achieve the classic, comforting design the owners desired. The thematic design of the facility allows it to blend into the surrounding existing built environment.
